

The Office of the President

April 8, 2020

Dear CRCDS Students,

I hope that this letter finds you supplied, healthy, and safe. Your well-being is of great concern to me. While we do not yet know the full impact of the COVID-19 pandemic on our communities, we do know that these are challenging times. There are reports of job loss and people living without their basic needs being met all over the nation. To address those issues here, an emergency fund has been started at CRCDS to address the needs of our students should they find themselves facing these challenges in this unprecedented time.

The interactive application can be found on the CRCDS website in the Current Students section at <https://www.crcds.edu/admissions/current-students/students/sef-app/>. Download the form and fill it in, electronically. Once you save it, you may email it to the office of Institutional Advancement at cwiley-harris@crcds.edu.

You will be contacted to review your application. I urge you to read the instructions of the application carefully so as not to slow down the review process.

I look forward to the time in which we will be in each other's presence. It is my prayer that you are living well and assured that your Seminary cares for you.

Blessings,
